

ITR Industry to Retail GmbH is an innovative global, medium-sized start-up company and part of the Tholen Group.

Based on over 60 years of experience in selling a number of major brands, Tholen has developed the partnerships and systems necessary to successfully plan and implement tailored sales strategies for manufacturers' product portfolios throughout the European market. Domestic and foreign manufacturers of consumer electronics, IT and AI products work closely with us.

Due to our dynamic growth we are looking to make a full-time permanent appointment at our Essen site.

## **Content Manager (m / w / d)**

### **Your duties:**

- Build up, expand and maintain a wide portfolio of good quality book titles in various European languages
- Be the intellectual and editorial interface with book publishers
- Work with our team to ensure that the portfolio is best promoted including, for example, attending exhibitions throughout Europe

### **Your profile:**

- An enthusiasm for and knowledge of books
- Publishing experience, ideally including rights, and digital rights, management
- You're able to quickly learn new software platforms and tools
- You are confident user of websites and social media
- A confident and winning presence at all levels of management
- You have analytical skills, work very independently and are a team player.
- Willingness to travel (international)
- Very good knowledge of German and English (further language skills desirable)

### **What awaits you:**

- A responsible position in a fast-growing start-up company with future-oriented products.
- Flat hierarchies and short decision paths
- New spacious premises with modern urban equipment
- Numerous benefits: from company mobile phone and MacBook to free organic fruit and drinks
- A good connection to the public transport system
- And not to be underestimated: We are a family business through and through - both in terms of our structures and our values. We promote an open, performance- and employee-oriented management culture
